

## Rolling Stones - All Over Now

Well, baby used to stay out all night long.  
She made me cry, she done me wrong.  
She hurt my eyes open, that's no lie.  
Tables turning, now it's her turn to cry.  
Because I used to love her but it's all over now.  
Because I used to love her but it's all over now.

Well, she used to run around with every man in town,  
spent all my money playin' a high-class game.  
She put me out. It was a pity how I cried.  
The tables turning now it's her turn to cry.  
Because I used to love her but it's all over now.  
Because I used to love her but it's all over now.

### Instrumental

Well, I used to wake the morning, get my breakfast in  
bed,  
When I gotten worried she would ease my aching  
head.

But now she's here and there with every man in town  
Instead of tryin' to take me for that same old clown.  
Because I used to love her but it's all over now.  
Because I used to love her but it's all over now.

Because I used to love her but it's all over now.

Because I used to love her but it's all over now.
