Key G

Intro:- Drums:- [ Blap, Blap , ] Guitar Riff G, 4-Times

## Verse 1

If there's something that I like, It's the way that woman walks  
And if there's something I like better, It's the way she baby talks  
She does it right, She does it right  
She works hard every night just to make me feel alright  
She told me not to worry, And there ain't a single trouble in sight

## Verse 2

I said you ought to see her jerk, You ought to see her walk on the floor  
And when she gets back to her seat, Mmh all the people cry for more  
She does it right, She does it right  
She works hard every night just to make me feel alright  
She told me not to worry, And there ain't a single trouble in sight

## Verse 3

I said I'd give her anything, That her little heart desires
