

Sit Down - James

VERSE 1

I sing myself to sleep, a song from the darkest hour

Secrets I can't keep, In - side of the day

I swing from high to deep, Extremes of sweet and sour

Hope that God exists, I hope I pray

Drawn by the under tow my life is outa' control

I believe this wave will bear my weight so let it flow

CHORUS

Oh sit down, Oh sit down, Oh sit down, Sit down next to me

Sit down sit down sit down sit down down in sym - pathy

INSTRUMENTAL

VERSE 2

Now I relieved to hear that you've been to some far out places

It's hard to carry on when you feel all a - lone

Now I've swung back down again and it's worse than it was be - fore

If I hadn't seen such riches I could live with being poor

CHORUS

Oh sit down, Oh sit down, Oh sit down, Sit down next to me

Sit down sit down sit down sit down down in sym - pathy PAUSE

BRIDGE SUNG QUIETLY

Those who feel a breath of sadness sit down next to me

Those who find they're touched by madness sit down next to me

Those who find themselves ridiculous, sit down next to me

In love in fear in hate in tears, in love in fear in hate in tears

In love in fear in hate in tears, in love in fear in hate
